Subject: Endeavour Academy Club Meeting: Minutes from March 2 meeting

Dear Parents,

Last Tuesday night (3/2/04) we had a general Endeavour Club meeting from 6:00 till 7:20pm.

We have scheduled our next Endeavour club meeting for Tuesday, 4/04/04, 6:00 pm in room 922.

***** Minutes, Endeavour Club Meeting #6, 6:00PM 3/2/04 *****

- Mr. Kliewer outlined most of the many upcoming events and volunteer help was offered as listed at the end of this email.
- We discussed the Krispy Kremes Sales. Only 170 dozen have been sold so far. At least 425 dozen must be sold in order to break even unless we can order fewer than 850 dozen.
- Sharon Young will check with Janet Mckeithen about the possibility of ordering fewer dozen and paying a shipping charge.
- It was decided to organize the students into pairs and having them spend at least 6 hours at a local store or other public place before Monday. They must get at least 425 dozen sold before we can consider continuing with this sale.
- Sharon Young circulated a sign up list for parents to help man the pickup sites on Thursday, Mar 11.
- Phil Jacober, Leanna Lara, & Dolores Flores have offered to deliver donuts on Mar 11.
