District Teacher of the Year

Stand aside, Energizer Bunny!...Here comes Suzy Reynolds, the 2008-2009 Kermit King Teacher of the Year! Affectionately nicknamed "Turbo" by her colleagues, Suzy approaches every aspect of teaching with unlimited energy, knowledge, enthusiasm, creativity, integrity, and professionalism.

Here are some of the comments mentioned by colleagues in Suzy's nomination:

- Suzy never stops growing in her skills and knowledge as an educator. With humility and bursting enthusiasm, she explores new ways to improve her skills as a teacher. She is always willing to mentor others.
- Suzy's amazing dedication to her students encourages me to reach my potential as a teacher. What a role model!
- Suzy is untiring, determined, industrious, and committed! She is someone that I know I can count on for emotional support and curricular expertise. She has actively served on every committee imaginable, expertly taught every grade level, kindergarten through fifth grade, and she is a leader among teachers.
- Suzy is awesome! Her students love her, and she ensures that every one of them receives the highest quality education in a rich environment that stimulates and inspires every child.

Suzy has served the students and educational community within the Paso Robles School District in the following ways (and many more):

- Served on Language Arts committees for as long as she can remember as well as having served on numerous other committees such as Assessment for Learning, School Site Council, Leadership, Curriculum Cadre, PTA, Negotiations, etc.
- Received training to become a Master Teacher and has used these skills to guide many student teachers into successful teaching careers
- Piloted several new programs throughout the years and has offered her expertise in evaluating these programs for possible use in the district
