

**PASSED THE CAHSEE?
If not, we are here to help!**

Intensive CAHSEE Instruction

The State of California passed Assembly Bill 347 that requires school districts make available intensive instructional and counseling services to those students who have not passed the California High School Exit Exam. These services are available to students up to two years after you leave high school.

We are here to get you there. Let us help you pass the CAHSEE and get your diploma!

Contact the following people to find out how:

PRHS - Randy Nelson
or your counselor
PRISC - Karen Hofmockel
Liberty - Bob Bourgault
Phillips - Ed Brown
