

# Kermit King Elementary School

Kelly Ward, Principal

Dr. Crocker, Interim Superintendent

Dear Families,

Did you know that over 200 LEAP Bands have gone out so far? More importantly, students are showing LEAP behaviors everywhere they go! Staff have noticed our students working harder to ensure everyone is included and our campus stays clean. Yard supervisors report that students are using encouraging language at recess, as more and more of our students are engaged in playing games through friendly competitions. Teachers have shared that students enter classrooms after recess more focused and ready to learn. What more could we ask for? There is no better place to be than Kermit King, I am proud of our Frogs! With continued dedication to being the best we can be, I am confident our team will continue to demonstrate these excellent behaviors.

Report Cards will be going home on Thursday, March 22nd. In addition to this, students will take the MAP (Measure of Academic Progress) Assessment at the end of this month. We are looking forward to seeing all the growth that has taken place since the Fall assessment. Please encourage your child to do their personal best, take their time, and read each question carefully. The assessment is used to measure growth and determine the skills your child is ready to learn in reading and math. We are most proud of the growth they are making in class every day! Frogs are scholars, it is apparent when you enter any classroom at Kermit King.

An attendance party is coming soon! Students with excellent attendance, 97% or higher, will be invited to this fun event. The classroom that averages the highest attendance will also be invited. We encourage students to come to school when they are not ill. Being at school everyday is very important. We will celebrate every school day beginning on March 4rd by ending our day with music- because everyday is special and every student counts!

## ATTENDANCE News-"ALL THE WORLD'S A STAGE"!!!

March 4<sup>th</sup> marks the kick-off of our district-wide Spring attendance campaign.

Our attendance campaign runs from March 4<sup>th</sup> through March 29<sup>th</sup>. Our overall attendance goal is 97%, students will only be allowed 1 absence during the campaign to be invited to a festival style party. The party will be on campus, and the date and time is still to be announced. Please encourage your students to arrive daily, and be on time. To clear an absence, parents must call the office and/or provide a doctor's note.
