

George H Flamson Middle School

Tim Vincent, Principal

Audra Carr, Assistant Principal

Dear Cougar Families,

We have had an amazing start to the new school year. The students have done a fantastic job of adjusting to both the new setting for 6th grade students and to the new administration for our 7th and 8th graders.

With many new teachers on campus this year, we will be looking at expanding our club and activity offerings for students. We are committed to making sure all Flamson students feel like they can find an activity that suits their interests. We will have a comprehensive list of clubs and activities available to students in the coming week.

We are very much looking forward to meeting our families on Back to School Night this Thursday, August 29 from 5:30 p.m. to 7:30 p.m. We'll have a quick welcome in the Multipurpose Room (MPR) followed by a short Choir performance prior to releasing families to their student's classrooms. PTO will also be on hand to greet families and offer opportunities to get involved in their student's school.

We will also have our first Lunch With Your Kid on Thursday, September 5. PTO is working towards finding some food trucks to offer parents meals for purchase at the dropoff area on 24th Street. If you know of some businesses that can offer reasonably priced meals with a fast output, please let PTO know.

Again, thank you all for your patience with the pickup and drop off inconveniences and for letting us work with such amazing young students.

Sincerely,
Tim Vincent
Principal

Flamson Pride – Show It Off!

We encourage all of our Flamson Cougars to show off their school colors each Friday with Spirit Wear. PTO is looking for design ideas for t-shirts and sweatshirts so students can show their Cougar Pride.

Students are also encouraged to wear college gear every Thursday as part of our schoolwide AVID focus on higher education opportunities. Teachers and other staff members will be sporting their college gear as well and lead discussions on career opportunities and college majors.

Upcoming Events

August 26
