PARKING LOT SAFETY

Please be careful in the parking lot both as a pedestrians and drivers. Before and after school are especially dangerous times as hundreds of cars and people are attempting to go to and from school. Many of those drivers do not have a lot of experience which can create a hazardous situation. There have been several close calls and reports of vehicle collisions. Remember paying attention does not cost anything, but a collision could cost hundreds of dollars.

NO TRESPASSING!

Please do not use the area behind the district office or the golf course as a short cut. The owners of the property have posted NO TRESPASSING signs! If you are caught you will be sited.

PARKING LOTS

Bearcats, please know the parking lots are off limits throughout the school day including Nutrition Break and Lunch. Parking lots must be exited immediately upon arrival and departure before and after school (no loitering). Make sure your books, snacks, and lunches are in a backpack or on your person; we will not allow students to go to the parking lot at any time during the school day.

DRESS CODE

Please dress respectfully. Students in violation of the dress code will be offered alternative attire to wear for the day (if possible). Otherwise, parent contact will be made to bring appropriate clothing or take the student home to change. For clarification read your student handbook or refer to the classroom dress code poster.

NOTICE

For the protection and safety of all our students and staff, Paso Robles Joint Unified School District requires all visitors to provide a photo ID before entering school grounds.
