### CUESTA REP ON CAMPUS FOR SUPPORT

Seniors, a Cuesta Enrollment Specialist will be on campus tomorrow and Thursday during lunch in AD15 to assist you with the online orientation or registering for Cougar Welcome Day. If you need any other Cuesta support this would be an ideal time to get help.

### POWDER PUFF SIGN-UPS

Hey Bearcats, powder puff is around the corner. Don't forget to sign-up at lunch in room 503. Sign-ups are April 8<sup>th</sup> – 18<sup>th</sup>. Big game is May 17<sup>th</sup> at War Memorial Stadium. Remember is Freshmen vs. Sophomores and Juniors vs. Seniors.

### CELEBRATE POETRY MONTH

Juan Felipe Herrera the United States Poet Laureate of 2015 will be presenting his award winning poetry on Thursday, April 11<sup>th</sup> during Tutorial in the Performing Arts Center. His reading will be followed by a book signing. His books will be available for sale. Come get woked! Herrera is the author of 30 books, including collections of poetry, prose, short stories, young adult novels, and picture books for children.

### VEHICLE SAFETY

Bearcats, Staff has seen an increase in students driving with people in the back of their pick-up trucks on campus. Not only is this illegal, it really opens you and your parents up to a personal injury civil lawsuit that can be a big financial burden. Be safe out there!

## **TUTORIAL GUEST SPEAKER**

Mr. Barton is a graduate of NYU Theatre Arts. Upon graduation he was one of many Americans affected by the 9/11 Attack on New York City. He decided to join the Armed Forces to engage in the Gulf War. His training was in warfare tactics. Serving 9 years with the Marines, Mr. Barton was at a crossroads to find another career in civilian life. He was trained in Theatre Arts, warfare tactics and found an opportunity in the movie industry. He became a consultant to the movie industry. Following this he found another opportunity to consult in the warfare gaming industry. Come find out what finding opportunities are all about. We don't just have a good day, we make it a good day. Check with your tutorial teacher, then go to Bearcat Hall.

## **ASVAB**

Bearcats, we are looking at the possibility of administering the Armed Services Vocational Aptitude Battery (ASVAB) on May 6<sup>th</sup> or 7<sup>th</sup>. The ASVAB determines what jobs students are qualified for in the armed services. For students interested in military service after high school, taking this test is a must! We need a minimum of 10 to administer the test. If you are interested, please sign up in the counseling office. If you have any questions, please contact Mr. Harrington.

## **NOTICE**

For the protection and safety of all our students and staff, Paso Robles Joint Unified School District requires all visitors to provide a photo ID before entering school grounds.

## **UNIVERSITY RESEARCH EXPERIENCE FSC**

The University Research Experience FSC course this summer is open for applications. Students 10-12 will be placed in science labs at Cal Poly and learn what it is like to do research in a college setting. Applications can be found online at [www.pasoschools.org/fsc](http://www.pasoschools.org/fsc) or by going to any science teacher. See Mr. Johnston in 304 for questions.

## **GAMES AT YOUR LIBRARY**

Finished all your school work and feel like taking a break? Meet your friends at the library. There is now a game shelf in the library with Uno, Battleship, Sorry!, chess, checkers, and more! Come by the library before school, lunch, and afterschool to play a game.

## **DRESS CODE**

Please dress respectfully. Students in violation of the dress code will be offered alternative attire to wear for the day (if possible). Otherwise, parent contact will be made to bring appropriate clothing or take the student home to change. For clarification read your student handbook or refer to the classroom dress code poster.

## **PARKING LOTS**

Bearcats, please know the parking lots are off limits throughout the school day including Nutrition Break and Lunch. Parking lots must be exited immediately upon arrival and departure before and after school (no loitering). Make sure your books, snacks, and lunches are in a backpack or on your person; we will not allow students to go to the parking lot at any time during the school day.

## **MENTAL HEALTH RESOURCES**

Mental health is important. In order to better support you, the library now has a section on current books on many mental health topics. Come look at our books to learn more about topics like depression and anxiety. Read a memoir from a teenager that suffers from (OCD) obsessive-compulsive disorder or learn ways to support friends that suffer from mental illness.

## **STREET AND SCHOOL SAFETY!**

Students, please be careful and also advise your parents when dropping off or picking up from school not to stop in the middle of the street, open car doors or step into traffic. Do not jaywalk; there are plenty of marked cross walks to cross the streets safely and legally. Also please do not double park in the parking lot, please park in marked stalls only. There is also a marked loading and unloading zones for safe drop off and pick up. Finally if you are under 18 years of age you must wear a helmet when riding a bike, skateboard or scooter. Law enforcement officers will be enforcing the laws and issuing citations for any violations!

## **THOUGHT OF THE DAY!**

"Sometimes the smallest step in the right direction ends up being the biggest step of your life. Tiptoe if you must, but take a step."

**Naeem Callaway**
