Bearcat Student-Athletes to Sign NCAA National Letter of Intent

Paso Robles High School student-athletes Isabella Druding, Kendall Moffit and Madeline Loff will sign NCAA National Letters of Intent at a ceremony at 3:30pm on Wednesday, February 3, 2021 at the PRHS Practice Field at Paso Robles High School.

Isabella Druding will join the William Jessup University Cheer and Competitive Stunt program. A four-year letter winner, she was chosen as a CCAA All-League First Team. She was selected for the PRHS Varsity Cheer and Stunt team as a freshmen and is currently a team captain.

William Jessup Coach Alexis Welch is very pleased with her signing “I am thrilled to have Isabella joining our Warrior family next year! She is an incredible flyer and tumbler and will be an asset to our STUNT program at Jessup. I have watched Isabella grow over the last few years with her High School STUNT program, and cannot wait to continue helping her grow during her time as a Warrior. Let's go Bella!”

William Jessup University is located in Rocklin, California. The Warriors compete in the National Association of Intercollegiate Athletics, primarily competing in the Golden State Athletic Conference.

Kendall Moffit will take her talents to Cal Lutheran University to swim for the Regals. Kendall has found success from setting school records to competing in the CIF championships every year. Bearcat Swim coach Michael Sauret notes “Kendall has never been simply satisfied with individual accomplishments; oftentimes our post-competition talks focused on her peers’ success and needs when I would try to shower her with praise for her successes. Kendall is a selfless and thoughtful person who can make any academic or social group better by her presence.”
