2. Approve Board of Trustees' Meeting Minutes

3. Approval and Acceptance of Certification of the 2020-21 Second Interim Financial Report

Brad Pawlowski walked the Board through components of the Second Interim Report, the first positive certification in some time. One-time funds from the CARES Act allowed the district to shift expenditures to that funding source and preserve General Fund resources. Nevertheless, as CARES funding expires, the multi-year projection shows the District will need to be cautious to avoid overspending for ongoing expenses without revenue to cover those costs. By 2022-2023, declining enrollment and revenues will require the district to be cautious and conservative. COLAs expected in the next two years are insufficient to cover the projected ongoing expenditure increases. SB86 should result in additional funding, possibly \$3.5 million; but he cautioned this is again one-time funding.

A motion passed to approve and accept the positive certification of the 2020-21 Second Interim Financial Report. Passed with a motion by Mr. Chris Bausch and a second by Mr. Tim Gearhart.

8. Employee Code of Ethics

Public comment was received from teacher Ruth Enriquez-Bauge, Elena Garcia, and Michael Rivera.

Dorian Baker felt the proposal was too general and lacks consequences. Tim Gearhart interjected that a system must be worked out. President Arend reminded Board members that policies are intentionally broad and the "meat and potatoes" are spelled out in administrative regulations (see BP0410). Mrs. Baker suggested those additional documents should be provided along with the code of ethics. Mrs. Gaviola described the annual training all employees undergo that will include the code of ethics along with a number of other policies to provide the requested detail. The code of ethics is a complement to those other things. It was suggested the ethics policy include hyperlinks to relevant policies so they are readily at hand.

A motion passed to adopt the Employee Code of Ethics for Paso Robles Joint Unified School District, with direction to staff to work with Trustees Baker and Gearhart on adding links to relevant board policies. Passed with a motion by Mr. Chris Bausch and a second by Mr. Tim Gearhart.

J. INFORMATION/DISCUSSION ITEMS

1. Reopening Update During COVID-19 Status

Jen Gaviola reported on COVID data, but noted two indicators (positivity rate and health equity index) are in yellow tier. Vaccinations have been scheduled for 525 employees, with about 250 employees unscheduled. As students return to campus, they are receiving trainings about COVID 19, spread, mask wearing, hand washing, and social distancing.

2. Expanded Summer School - Learning Loss Mitigation Proposal

Erin Haley outlined summer school plans for 1st-12th graders. 1st-8th will be focused on intervention and remediation; high school will be focused on credit recovery; and original credit courses will be offered in cooperation with Cuesta College. PE and VAPA opportunities are incorporated. Summer School teaching vacancies opened today.

3. Staffing and Planning for 2021-22 School Year

Jen Gaviola shared retirements and resignations, as well as staffing adjustments in grade-level assignments or schools. All of these steps will hopefully avoid the need for layoffs, either certificated or classified.

Dr. Dubost commented on the organization chart, stating that he intends to leave it as is and not fill a suggested Assistant Superintendent of Instruction (with many thanks to Erin Haley as Director of C&I). He indicated he would fill two vacant secretarial positions.

4. Report on CARES Act Funding

Brad reviewed CARES funding and discussed the mobility vans where purchase was deferred. There continues to be a shortage of bus drivers.

5. Monthly Enrollment Update

Mr. Pawlowski explained that the district tracks enrollment counts on census day every year, which reflects a decrease of 260 students from the previous year.

6. Monthly Financial Budget Update

Mr. Pawlowski provided an overview of the budget.

7. Informational Review of Resolution No. 21-04 Authorizing Restriction on Facility Use to Limit the Spread of Coronavirus (COVID-19)

Mr. Pawlowski reminded the Board of this resolution adopted last August that eliminated use of our facilities because of COVID. With the move into red tier, he will be working with City and other uses to allow some outdoor use of district facilities but continue to prohibit indoor use.

K. SUPERINTENDENT/STAFF COMMENTS

Dr. Dubost explained that board policy authorizes the superintendent to establish a process for new course descriptions. He informed the Board of a request to renew an ethnic studies course for Paso Robles High School. The course materials and texts are available for preview in the District Office through March 23, when they will come to the Board on with a revised course

description. Mr. Bausch asked how these changes are advertised to the community and whether we might take out an advertisement. Dr. Dubost noted there has been a suggestion for a community version of the Friday Update, and this might be an avenue to communicate the course to the community at large. He and Nate Maas are beginning a program of biweekly videos highlighting aspects of PRJUSD.

Jen Gaviola expressed appreciation to Voice of Paso for broadcasting student sporting events. Thanks also to the coaches and community organizations including Paso Diversity, Paso Boosters, Bearcat Boosters. Additionally, Custodians (Joe, Carlos, Harold, Hector our lead custodians) have been a tremendous resource to our schools. Counselors have done a great job connecting with kids in this unusual environment. She noted that seniors will soon be hearing about their college applications. PRJUSD is proud to acknowledge

Cameron LeClair Jenna Tapman who were selected to be the district's Boys and Girls State reps, respectively.

L. BOARD MEMBER REPORTS/CORRESPONDENCE

Mr. Williams offered kudos to everybody present on tonight's positive meeting. He attended orientation at both Flamson and Lewis middle schools, and it was a joy to see the kids light up.

Mrs. Baker acknowledged many emails from community members about the 7/11 committee. She assured them the Board is studying them and taking them into consideration as decisions are made. She reported on an email received last week from staff about a proposed resolution intended for tonight's agenda and how it was characterized as a Board resolution although the Board neither requested nor wrote it. She asked for legal clarification on whether it was permissible for the Superintendent to poll the Board regarding that matter. She questioned the process and Board oversight for items coming to the agenda. Lastly, she asked that Presentations be scheduled before Closed Session so people aren't waiting. Superintendent Dubost indicated he would bring that request to the agenda setting committee.

Mr. Gearhart commended the county superintendent for getting vaccinations to school districts in equitable fashion.

Mr. Gannon acknowledged Sandra Yrigollen as a "silent hero" as she sits in the back of the room translating the meeting for Hispanic listeners. He offered thanks to our hard-working custodial staff and the unsung heroes at Culinary and the help they receive from Transportation. Jen Gaviola's Frozen-themed back-to-school video was tremendous, and water polo coverage by Voice of Paso was outstanding.

Mr. Bausch echoed thanks to certificated and classified staff. He reflected on a seminar he attended on SB86 and AB86, as well as a CSBA seminar on redistricting. He suggested staff prepare a study session on that topic. The process will require the public's cooperation. The community is asking when we're going to reopen Board meetings. Board members are receiving lots of communication about the 7/11 committee. He reminded everyone the committee is advisory only and no decision has been made whatsoever to open, close, or consolidate schools. There are campus tours on Friday and a study session on Saturday with a topic of where we go from here with the 7/11 committee. He suggested an update on the website to correct mistaken perceptions.

Mr. Reed thanked his fellow trustees who had all covered the things he wanted to report.

Mr. Arend offered no comments in the interest of time and reflecting the thorough reports of other trustees.

M. INFORMATION/AGENDA ITEM REQUESTS

Mr. Williams ask staff to follow up on the comments received about lack of an athletic trainer.

Mr. Arend responded to Mrs. Baker's comment on a proposed agenda item which was a resolution on racism. He agreed the first attempt had some issues, but felt the topic is important and merits a resolution. He received Board consensus to work with staff on a proposed draft for the next agenda.

N. ADJOURN TO CLOSED SESSION (if necessary)
