OVERVIEW

This handbook provides the guidelines that have been determined to be standard Policy and Procedures for this Purchasing Card Program. The Policy and Procedures apply to all cardholders of District Purchasing Cards. **Please read it carefully!**

The State of California CAL-Card Purchasing Card Program is contracted through U.S. Bank I.M.P.A.C. Government Services Visa Purchasing Card Program and is to be used only for Paso Robles Joint Unified School District (PRJUSD) business.

Purchasing Cards are issued by the Business Department on an approval basis. The Purchasing Card Program Agency Program Coordinator (APC) is the Chief Business Officer.

The program is not intended to avoid or bypass appropriate purchasing or payment procedures established by PRJUSD. Rather, the program complements the existing processes available. All purchases must comply with current PRJUSD purchasing standards.

The Purchasing Card you will receive will have your name embossed on it. **It is for your use only – no member of your staff, your supervisor, your family, or anyone else may use your Purchasing Card.**

You are responsible for the security of your card and the transactions made with the card. The Purchasing Card is for District use only. The use of the Purchasing Card for personal charges is **strictly prohibited**. The cardholder is ultimately responsible for all purchases made on his or her card.

The District has the right to revoke Purchasing Cards for any reason and at any time.

Your signature on the enclosed Purchasing Card Application and Agreement indicates that you understand the intent of the program and agree to adhere to the Policy and Procedures established for the program.

TO OBTAIN A CARD

1. **Please read the Policy and Procedures handbook before requesting your Purchasing Card.** This handbook provides the information about the process, types of purchases that can and cannot be made, records that must be maintained and reconciled monthly, and other program requirements that you will be required to adhere to.
2. After you read and understand the Policy and Procedures outlined, **complete the enclosed Purchasing Card Application and Agreement.** All requests will be processed through the Business Office.
3. Your new card will be sent directly to the Business Office. The card will be activated; then you will be contacted to pick up your new card and sign for it.
4. When you receive your card, sign the back of the card and always keep it in a secure place! Although the card is issued in your name, it is the property of the District and is only to be used for District purchases as defined in this document.

EXAMPLES OF WHEN THE PURCHASING CARD MAY BE USED

- The Cal Card can only be used for purchases that adhere to the reimbursement procedures to eliminate paying out of pocket for these purchases.
- Travel expenses for hotel, airline, and conference registrations
(Travel and Conference must always be pre-approved on a Workshop Claim Form. Fiscal Services also has the ability to charge travel expenses with an approved Workshop Claim form.)

EXAMPLES OF WHEN THE PURCHASING CARD MAY NOT BE USED

- Any purchase where a purchase order could have been used.
- Any contracted work of any kind, including consulting, professional services, repair or maintenance contracts, assemblies, or construction or public works contracts
- No splitting of purchase to circumvent the purchase card limits
- Equipment (any small equipment purchases must have prior approval from the CBO)
- Alcoholic Beverages or tobacco
- Technology or software (small technology purchases must have prior approval from the CBO)
- Rental or lease agreements, or contracts
- Cash advance, wire transfer, money order, traveler's checks
- Memberships or subscriptions
- Personal charges are not allowed on your PRJUSD credit card
- Fines, Fees, etc.

* The Chief Business Officer may place additional restrictions on the types of items that may be purchased with the card as deemed necessary.

****Remember** – in many cases the District has access to substantial discounts that are not available to individuals in a retail store. Be mindful of high shipping charges when placing orders on your Cal Card. Always consider the purchasing requisition process to maximize savings.

SOME BUILT-IN RESTRICTIONS

Each card will be assigned an individual **30-day credit limit of \$2,500.00**. If you find that these limits are too low to accommodate your requirements during a specific time period, please contact the Chief Business Officer for a temporary increase. Please provide a written request to the Chief Business Officer with justification for the increase. U.S. Bank I.M.P.A.C. Government Services will not change your credit limit without the approval of the Chief Business Officer.

In addition, **no individual transaction may exceed \$900 in value** (including taxes and any shipping charges). If you have an unusual, one-time transaction that will exceed the limit, you will need to request a temporary Purchasing Card limit increase. E-mail your request to the Chief Business Officer with an explanation of the need for increase, the amount requested, and the dates affected.

INSTRUCTIONS FOR USE

1. Decide what you need to purchase, and ensure the purchase is within budget.
2. Get approval to make the purchase.
3. Contact the supplier from who you want to purchase the item (phone, visit, fax, mail, website).
4. Place the order with the supplier, using your Purchasing Card. Give the supplier delivery instructions for your shipment. Delivery instructions must include your name, school site, address and telephone number. Do not have the order shipped to the District Warehouse. Tell the supplier you **must have an itemized receipt!**
5. Receive your shipment. Verify that you received what you ordered and that the shipment is complete. Keep all receipts and/or packing slips.
6. If there are any discrepancies in your order (wrong item received, missing or damaged items, etc.) you will need to contact the vendor for a replacement. Any discrepancies not resolved before the statement is printed need to be flagged as a discrepancy on your statement (refer to the "If Your Records Don't Agree with your Statement" section).

BUDGET

Purchasing Card expenditures are not necessarily itemized in the budget. **It is the cardholder's responsibility to be certain that Purchasing Card expenditures are within budget limitations.**

RECEIPTS

It is required that you retain all original itemized receipts for goods and services purchased. As you make your purchases, keep all original receipts in a file or envelope. Your monthly statement must be submitted with these receipts. If you are missing a receipt you will need to obtain a duplicate receipt from the vendor. If you are unable to obtain a duplicate copy, you are required to complete a *Cal-Card Missing Receipt Form* (attached).

MONTHLY STATEMENT

Each cardholder will need to download their monthly statement identifying all transactions made against the card during the previous billing cycle. The statement closing date is the 22nd of each month. The statement will be available online the following day. The statement can be downloaded on the 23rd of each month. Refer to page 7, online access, for information regarding online registration. **Each statement must be reconciled and submitted to the Fiscal Services Department by the 5th of the following month with the required information as follows:**

1. Reconcile the statement with your receipts to ensure that all charges are accurate and were authorized by you.
2. Complete a *Monthly Bank Card Log* with the following information:
 - a. Date of Purchase
 - b. Vendor Name
 - c. Description and Account Code to be charged
 - d. Dollar Amount
 - e. Indicate if sales tax was charged
3. Sign and date the statement. Attach the original itemized receipts to the statement for each charge. If applicable, include packing slips, approved *Workshop Claim Forms*, meeting announcements, agendas, and completed conference registration forms as backup documentation to substantiate the charges. Obtain supervisor's approval and forward entire package to the Fiscal Services Department.

IF YOUR RECORDS DON'T AGREE WITH YOUR STATEMENT

There may be occasions when items on your statement do not correlate with your retained receipts. You may not have authorized the transaction, the amount of the transaction may be incorrect, or you may have a quality or service issue.

1. Your first recourse is to contact the supplier involved to try to resolve the error. If the supplier agrees that an error has been made, he/she will credit your account. Have the vendor provide a receipt for the credit or written verification that the account will be credited. Highlight the transaction in question on your statement. Make a note on the statement that the vendor has agreed to provide a credit of "x" amount. The credit should appear on the next month's statement, and your credit receipt or written notice of credit should be attached to that next statement on which the credit appears.
2. If the supplier does not agree that an error has been made, you will need to dispute the charge with the bank. Highlight the disputed charge(s) on your statement with a note that the charges are disputed. Fill out the attached *I.M.P.A.C Program Cardholder Statement of Questioned Item (CSQI)* form and attach it to your statement. The dispute will be filed online by the Fiscal Services Department. A credit for the disputed amount will be issued by the bank on your next statement until the dispute is resolved.
3. Any transaction you wish to dispute must be identified and disputed within 60 days, but preferably before the statement is paid. Disputes will then be resolved by U.S. Bank within 90 days.

LOST OR STOLEN CARDS

1. If your card is lost or stolen, or if you believe your account number has been compromised in a fraudulent manner, contact the Fiscal Services Department immediately 805-769-1000 ext. 30108 to have the card terminated. If the card is lost or stolen after hours, contact U.S. Bank Customer Service directly at (800) 344-5696 and e-mail the Chief Business Officer.
2. Upon notification of a lost or stolen card, further use of the card will be blocked. Quick action in these circumstances can reduce your liability for fraudulent charges. A new card may be issued. Once received by the Chief Business Officer, you will be contacted to pick up and sign for your new card.
