PRHS Parking Contract

To honor the privilege of driving and parking on the PRHS campus, I agree to:

1. Park **ONLY** in designated spaces authorized for student parking.
2. Never park in an unauthorized space including handicapped, staff, or visitor parking areas.
3. Never park in bus loading zones, fire lanes, in front of doorways or wheelchair access aprons. I understand that even if I have a valid permit, parking in unauthorized areas may result in my vehicle being cited or towed.
4. **ALWAYS** drive with courtesy and safety, observing the 5 mph speed limit while in the school parking lots, obey California driving laws, and directions of all school personnel.
5. Hang my permit on the rear-view mirror and have it viewable at all times while in the school parking lot.
6. Maintain control and possession of *my* Parking Permit, never allowing another person to use it. If lost, I will report the loss to the Main Office. I understand a \$5 fee will be required to purchase a replacement permit.
7. Keep my car **LOCKED** while it is in the parking lot.
8. Arrive on campus and get to class **ON TIME**. I will not allow the school traffic pattern or vehicle issues to result in being tardy or absent to school. I understand that vehicle issues will **NOT** be considered excused tardies/absences.
9. After arriving at school and parking in the parking lot to immediately report to the main campus. I will **NOT** return to my vehicle until the end of the school day at which time I will leave promptly. I will not **LOITER** or "**HANG-OUT**" in the parking lot or "**CRUISE**" around the campus parking lots.
10. Keep the volume level of my car stereo to a volume heard only within my vehicle. Local noise ordinances will be enforced. Motorcycles are considered motor vehicles.
11. Refrain from **SMOKING** and **PUBLIC DISPLAYS OF AFFECTION** while in my vehicle, in parking lots, or on campus.
12. **KEEP** my vehicle registration and information current (up to date). I will immediately notify and provide the front office staff of **ANY** and **ALL** change to the registration, insurance, or identification information for my vehicle.
13. Understand that vehicles parked in the parking lots of the Paso Robles Joint Unified School District are subject to search. (BP 5145.12)
14. Observe this agreement at all times. If I, or my vehicle, are cited for breaking this parking contract during the school year, and depending on the seriousness of the violation(s), I may be subject to additional school consequences (such as after school detention, Saturday School, loss of parking privilege, citation, towing, suspension, or expulsion).
15. Understand that tickets will be issued for parking and other vehicle violations.
16. Understand that neither the Paso Robles Joint Unified School District nor its employees will be held responsible for any damage to vehicles that are on school property. I agree that the school is not responsible for any personal property stolen, lost, or damaged while on to the campus during school hours.
17. Understand that this agreement does not guarantee the availability of a parking place and does not guarantee the security of my vehicle or my property.

Typical Progressive Discipline for Violations of Parking Contract

- 1) Warning notification to student and parent.
- 2) Loss of parking privilege and confiscation of parking permit for one week.
- 3) Loss of parking privilege and confiscation of parking permit for the year.
- 4) Vehicle towed at owner's expense (with an attempt at student/parent notification to move vehicle prior to towing).
- 5) Vehicle towed at owner's expense: (notification to owner after vehicle has been towed).

I understand, read, and agree to follow this **PRHS Parking Contract** in order to obtain the privilege (and parking permit) of using the campus parking lot. Issued parking permits are property of PRJUSD and must be surrendered upon request or revocation.
